

Self-regulating heated towel rack
 ASEN0976N

design Gwenael Nicolas, Curiosity, 2008

Finishes

Black anodised

Materials

Aluminium

Accessories made from brushed anodised aluminium in black to be matched with the range of taps with the same name. The natural anodising process does not guarantee that all products will have the same finish: slight colour differences cannot be considered reason for complaints. Due to their unique shape, we recommend that all wall-mounted accessories are fixed to a perfectly flat surface.
